

# HEREFORD FEATURE SHOW

SATURDAY 2<sup>ND</sup> MAY, 2026

The Hereford Feature Show will celebrate the heritage, quality, and performance of Traditional Hereford cattle. The Hereford breed has a storied history, having arrived in the early 1800s from England. Over the generations, dedicated breeders have helped preserve original bloodlines, maintaining the traditional Hereford's iconic red coat with white face, underline, and tail, as well as their hardy and adaptable nature. This show honours that legacy and highlights the Hereford breed's enduring contribution to Australian agriculture.
