SATURDAY 2ND MAY, 2026

The Narrabri Show has a proud and enduring history within the racing and broader equestrian community, The Narrabri Race Club was established in 1918, followed by the first Narrabri Show in 1919, and 2026 will mark the 150th anniversary of this significant regional event. Across generations, the Show has celebrated rural excellence, community involvement and this year we will highlight the ongoing contribution of the Thoroughbred to Australian

In 2026, the Narrabri Show will host an OTTB Versatility Showcase, designed to highlight the adaptability, athleticism, and longevity of Thoroughbreds beyond the racetrack. Participation by OTTBs continues to grow each year, reflecting increasing community engagement and strong interest in retraining and rehoming retired racehorses.
