WHAT IS IMPOSE A class where the guidelines and materials are set by the organisers. All materials are provided for the competitors to create a design within a set time limit without prior knowledge of the components. The container and all materials are chosen by the organisers and are confidential to the participants until the scheduled commencement of the competition. Limit of 8 entrants per class, must pre-nominate by contacting steward by Wednesday 22nd of April 2026.

All items required for composing the arrangement will be supplied. No other material, accessories or embellishments to be brought in. Must bring own secateurs. Other tools that may be required will be available to share, such as water medium, scissors, pliers etc. Competitors are not able to swap or share floral material given. Entrants must use 75% of material supplied in their arrangement. Senior entrants will be asked to name their creation. Main aim is to have fun and learn more about floral arranging.
