## REQUIREMENTS

All entries must be accompanied by an entry form at time of delivery. No late entries will be accepted. All exhibits must be the original work of the exhibitor and must not have won first prize at a previous Narrabri Show. No articles may be entered in more than one class. School students must register age on entry form.

All articles must be clean and pressed. Each article must be clearly ticketed with exhibitor's name and class entered and attached face down on the back of the work. It is suggested that fine work which might be damaged by pins, should have a ticket attached by tacking stitch. Baby's layette and small pieces of needlework may be mounted on light cardboard, attached by tacking stitch, but must be able to be overall judged. Any work sealed in plastic must be able to be removed for judging.

The right is reserved to alter any class entered by exhibitors or to create additional classes where warranted, after consultation and agreement between judge and steward. All due care is taken but no responsibility can be accepted for any article damaged or lost.
