ENTRIES CLOSE

9am, Saturday 3rd May

REQUIREMENTS

An entry form and waiver must be completed for each entry. Exhibitors are requested to notify stewards of their intention to enter sheep in the show by 9 am Saturday 4th May. Stewards may deny entries from exhibitors who fail to notify a steward of their intention to exhibit before that time.

Stud Sheep Show Registered stud breeders are invited to exhibit sheep for exhibition only. All sheep should be penned by 10 am on the day of judging. Sheep being exhibited in the “Stud Sheep Show” must be accredited brucellosis free and a current accreditation certificate must be viewed by stewards prior to sheep being unloaded.

Sheep must be from studs registered with their respective national breed society. Sheep should be purebred and conform to the studbook breed standards of their respective breed society. Sheep should be milk tooth or two-tooth only.

Sheep should be prepared according to respective breed society show standards in relation to wool length, hoof preparation, horn, and teeth trimming. Sheep from “shedding” and high-risk medullated fiber breeds will be segregated from low risk breeds. Breeders may display both ewes and rams.

Prime Lamb Show All lambs are to be penned by 9am on day of judging. All entries must exhibit milk teeth only. All entries must be visibly free of lice and be disease and foot rot free. Subject to the number of entries, exhibitors may be limited to 1 entry of 3 lambs per class. All entries will be weighed on arrival at the pavilion. Entries may be any breed or combination of breeds.
